A great way to raise vibrations for everybody before connecting with a spirit is to get everyone up, active and having fun together. Put on some music and get everyone dancing. If you are doing this on your own, you can dance like nobody's looking! Encourage love and peace with mantra and affirmation. Go around the room and name one thing you love, and one thing you have made peace.

How To Raise Vibration To Connect With Spirit - Easy To Do ...

This stage of consciousness lasts for approximately five years. The next stage is Solar Consciousness, you become more attuned and start to heal and clear problems from all of the subtle bodies (physical, emotional, astral mental and spiritual). This can last from three to five years. This is a very high level and most people never go any higher.

Spiritual Consciousness and Energetic Vibrations

When we are in a negative vibrational pattern, that is we are acting out of fear, we tend to attract situations, people and lessons in our life to bring awareness towards our behaviour. Just the same, when we begin to think on a more positive, or loving note we are able to grow in consciousness and contribute towards the greater healing of the self, planet and all of mankind. Raising your ...

With a spiritual rise, common food may no longer taste the same. Not to say you'll have a total dietary overhaul, but the food you might've enjoyed in the past may feel different once in your new system. The higher your consciousness, the higher frequency your body will be operating on, the cleaner your system becomes. So you may end up noticing the toxicity in some of the food you regularly consume. Gradually you gravitate towards cleaner, higher vibration options like organic ...
