[Strategic Market Management David A](#)

Strategic Market Management David A

The European edition of Strategic Market Management has been prepared with the objective of taking David Aaker's outstanding and well-established textbook and presenting it to a European audience. It retains the culture of the original text, to maintain its accessibility and continue its emphasis on practical action. It has also kept the compactness, which has made it so popular with graduate and executive students and managers, while keeping a comprehensive coverage of major and emerging themes ...

The text is a European adaptation of our current US book: Strategic Market Management, 9th Edition by David Aaker. This new edition is a mainstream text suitable for all business students studying strategy and marketing courses. Strategic Market Management: Global Perspectives is motivated by the strategic challenges created by the dynamic nature of markets. The premise is that all traditional strategic management tools either do not apply or need to be adapted to a more dynamic context.

Strategic Market Management, 10th Edition emphasizes a customer perspective and the fact that every strategy should have a value proposition that is meaningful to the customers. Sections are included on energizing the business and how to overcome the barriers that powerful organization silos create to inhibit cooperation and communication. Specific case studies delve into real world and engaging issues.
