**A.** Use uno de los siguientes verbos para completar estas frases. (It is necessary to conjugate the verb to have a complete phrase.) Don't forget that *importar*, *interesar*, *parecer*, *encantar* and *quedar* are verbs that conjugate like *gustar*. Where there are two spaces, you will also need to write the indirect object pronoun that belongs (me / te / le / nos / os / les). It is possible to have more than one verb that works for a sentence. If that's the case, just take note of it.

Conjugate *recomendar* in the present tense as is appropriate in each sentence, filling in any small spaces with an indirect object pronoun. There are also a few instances where you will need to conjugate another verb from our list (TX – p. 148) in the present tense, as well. These are written in parenthesis.
